### SLEEPING BEAUTY

Lucia Magnani Rejuvenating  
Night Crème, £225, Harvey Nichols

According to Harvey Nichols, this night cream is a Beyond Beauty product, which means it has been sourced, tried and tested and finally declared one of the most innovative new items out there. It has a delicate exfoliating effect, with AHA and BHA to perfect, renew and hydrate. It's formulated with antioxidants, such as coenzyme Q10, vitamin E and alpha-lipoic acid to give the skin a healthy appearance.

### PERFECT POUT

Chanel Rouge Allure Liquid,  
£31, John Lewis

The latest trend in lips is the blurred effect. A step removed from a traditional matte look, this gorgeous Chanel lipstick offers a long-wearing powdery finish that's non-drying. It delivers an intense shade while ensuring a soft, fine texture. Available in a range of colours, our favourite (pictured) is the cool pink 950 Plaisir.
